

PRIVACY POLICY

1. PRINCIPLES FOR PROTECTION OF PERSONAL DATA

The <https://vmn.cash/> (hereinafter referred to as the Website) performed by **Hypercube Ventures LP** (hereinafter referred to as the Owner), a company (person) registered according to legislation of Ontario, Canada.

The Owner takes the protection of personal data very seriously.

The Owner's approach to the protection of personal data is based on the following principles:

1. Using of the personal data of Users exclusively in honest and trustworthy ways.
2. Providing User with clear information about how the Owner uses his (her) personal data.
3. Taking all necessary means to protect personal data from misuse and ensure their safe storage.
4. Compliance with all applicable laws and regulations on the protection of personal data, and in their absence, the implementation of activities in accordance with generally accepted principles of data protection.

2. APPLIING OF PRIVACY POLICY

The Privacy Policy applies to personal data collected by the Owner in connection with the use of the Website by the User. This information includes data obtained online through the Website. The Website may collect and process information about persons older than 13 (thirteen) years. This Privacy Policy also applies to advertisements that can be placed in the Website based on the information about the User. This Privacy Policy is an integral part of the Terms and Conditions of the Website.

3. USER ACCEPTANCE

By using the Website, the User agrees on collecting, using and disclosing his / her personal data by the Owner in accordance with this Privacy Policy. If the User does not agree on collecting, using and disclosing his / her personal data in this manner, the User shall not be entitled to use the Website. The Owner may collect, use and disclose personal data of Users only in case if these actions are fair and lawful. In some cases, the Owner may request consent to the use of personal data directly from the User. If the Owner has not requested mentioned consent, using of the Website by the User entitles the Owner to conclude that the User agrees on using of his (her) personal data. The User is not required to consent to the use of his personal data, but in this case the use of the Website shall be limited or impossible. Nevertheless, the Owner notifies the User that the Owner can process the personal data of the User and without his acceptance if the Owner has legitimate reasons for this, provided that such use does not lead to violating of the rights, freedoms and interests of the User. Any such usage must comply with the Principles for the protection of the Owner's personal data set forth above.

4. CHILDREN

The Website is designed and intended for Users who are over 18 (eighteen) years old. If the Website is used by children younger than 18 years, the consent of the parents or guardians to use the Website and the processing by the Owner of the personal data of such Users is mandatory. If the Owner finds that he has received information from a child under the age of 18 without the consent of the parents or guardians, the Owner must immediately delete this information. The Owner can use the User's personal data to check the age and apply age restrictions on the usage of the Website.

5. INFORMATION TO BE ASSIGNED AND PROCESSED

In this Privacy Policy, the term "personal data" means information and / or part of information that allows the User to be identified. Usually it includes name, address, alias (nickname), photo, email address and phone number, but it can also include other information, such as IP address, etc.

6. USAGE OF PERSONAL DATA

The Owner shall not transfer or sell personal information about Users to anyone. The transfer of information is possible solely to the assignee of the Owner as a result of alienation in his favor of all or part of the business, or in connection with merger, change of management, reorganization or liquidation of the entire business or part thereof.

7. GUARANTEES OF PROTECTION OF PERSONAL DATA OF USERS

The Owner undertakes all reasonable precautions for the safety of personal data of Users and requires the same actions from third parties who can analyze or process personal data of Users on the order of the Owner. Access to the User's personal data is restricted in order to prevent unauthorized access, modification or misuse, and is only allowed for the Owner's employees and / or his contractors.

8. CHANGES TO THE PRIVACY POLICY

The Owner has the right to change this Privacy Policy by posting its updated version in the Website, as well as at the Owner's website (if available). The User shall be notified about all changes in the Privacy Policy by the message before he (she) starts using the Website.
